

March 30, 2003

To: All qualified Chelton Flight Systems Dealers and Installers

Subject: Permission to use Chelton Flight Systems Supplemental Type Certificate (STC)

The following STC certificate is available to authorize the installation of Chelton Flight Systems, Flight Logic Synthetic Vision EFIS system.

FAA STC No. SA02203AK

Chelton Flight Systems grants permission to the installer to use the above referenced STC for installation of the Chelton Flight Systems, Flight Logic Synthetic Vision EFIS as outlined in the STC packet.

Chelton Flight Systems will be posting complete copies of the STC on its web site, www.cheltonfs.com. Please refer to this site for the latest issue of the STC or contact Chelton Flight Systems Technical Support at (208) 389-9959.
